The course plan shown is an approximation. The Start/Finish line is the red mark. Each loop is planned to be 300 yards. Another option is a single loop course of 600 yards, depending on the judge's preference.

Fast CAT Test:

Course plan: Fast CAT tests are divided into 3 categories dependent on the size of the dog. The size category is used in the calculation to determine how many points are awarded towards AKC Fast CAT titles based on the mile per hour (MPH) of the dog's run. Please indicate on your entry form if the dog is less than 12 inches, 12 inches but less than 18 inches, or 18 inches or over. If the height is questionable, the Inspection Committee will measure a dog to be sure.

Notice to Fast CAT handlers: Section 14. Conduct of Handlers. Handlers are not permitted to run down the 100-yard course with a dog during its run. If the course is fenced, this includes both inside or outside the fence. Handlers shall simply release the dog in the starting box and may not run with the dog within the starting box. Handlers may run within the catchment area as their dog is running the course but may not cross the finish line. Cheering, clapping, calling your dog's name, whistling, and waving your arms from the end of the course or the start area is allowed. Noise making devices such as whistles, duck calls, electronic calls or other items of this nature are not permitted. The use of toys, treats, flags, or other items of this nature are not permitted while the dog is running the 100-yard course, however they may be used after the dog has crossed the finish line to assist in catching the dog. Should a situation arise where the application of this Regulation is open for interpretation, the event committee shall decide how it will be handled. An explanation shall be submitted to the AKC along with the event results. TCKC will not allow "catchers" to walk down the course prior to their dog/s run; the "catcher" must go to the Finish Line outside of the course. Dogs and catchers must exit the field through the gate and return on the dirt road outside the fence.
